S. 964

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

TITLE I—CHEYENNE RIVER SIOUX TRIBE EQUITABLE COMPENSATION

SEC. 101. SHORT TITLE.

This title may be cited as the "Cheyenne River Sioux Tribe Equitable Compensation Act".

SEC. 102. FINDINGS AND PURPOSES.

(a) FINDINGS.—Congress finds that—

(1) by enacting the Act of December 22, 1944, (58 Stat. 887, chapter 665; 33 U.S.C. 701-1 et seq.), commonly known as the "Flood Control Act of 1944", Congress approved the Pick-Sloan Missouri River Basin program (referred to in this section as the "Pick-Sloan program")—

(A) to promote the general economic development of the United States;

(B) to provide for irrigation above Sioux City, Iowa;

(C) to protect urban and rural areas from devastating floods of the Missouri River; and

(D) for other purposes;

(2) the Oahe Dam and Reservoir project—

(A) is a major component of the Pick-Sloan program, and contributes to the economy of the United States by generating a substantial amount of hydropower and impounding a substantial quantity of water;

(B) overlies the eastern boundary of the Cheyenne River Sioux Indian Reservation; and

(C) has not only contributed little to the economy of the Tribe, but has severely damaged the economy of the Tribe and members of the Tribe by inundating the fertile, wooded bottom lands of the Tribe along the Missouri River that constituted the most productive agricultural and pastoral lands of the Tribe and the homeland of the members of the Tribe;

(3) the Secretary of the Interior appointed a Joint Tribal Advisory Committee that examined the Oahe Dam and Reservoir project and concluded that—

(A) the Federal Government did not justify, or fairly compensate the Tribe for, the Oahe Dam and Reservoir project when the Federal Government acquired 104,492 acres of land of the Tribe for that project; and

(B) the Tribe should be adequately compensated for the land acquisition described in subparagraph (A);

(4) after applying the same method of analysis as is used for the compensation of similarly situated Indian tribes, the Comptroller General of the United States (referred to in this title as the "Comptroller General") determined that the appropriate amount of compensation to pay the Tribe for the land acquisition described in paragraph (3)(A) would be \$290,723,000;

(5) the Tribe is entitled to receive additional financial compensation for the land acquisition described in paragraph (3)(A) in a manner consistent with the determination of the Comptroller General described in paragraph (4); and

(6) the establishment of a trust fund to make amounts available to the Tribe under this title is consistent with the principles of self-governance and self-determination.

(b) PURPOSES.—The purposes of this title are as follows:

(1) To provide for additional financial compensation to the Tribe for the acquisition by the Federal Government of 104,492 acres of land of the Tribe for the Oahe Dam and Reservoir project in a manner consistent with the determinations of the Comptroller General described in subsection (a)(4).

(2) To provide for the establishment of the Cheyenne River Sioux Tribal Recovery Trust Fund, to be managed by the Secretary of the Treasury in order to make payments to the Tribe to carry out projects under a plan prepared by the Tribe.

(c) INVESTMENT OF TRUST FUND.—It shall be the duty of the Secretary of the Treasury to invest such portion of the Fund as is not, in the Secretary of Treasury's judgment, required to meet current withdrawals. TITLE V—REVISION OF RICHMOND NATIONAL BATTLEFIELD PARK BOUNDARIES

SEC. 501. SHORT TITLE; DEFINITIONS.

(a) SHORT TITLE.—This title may be cited as the "Richmond National Battlefield Park Act of 2000".

(b) DEFINITIONS.—In this title:

(1) BATTLEFIELD PARK.—The term "battlefield park" means the Richmond National Battlefield Park.

(2) SECRETARY.—The term "Secretary" means the Secretary of the Interior.

SEC. 502. FINDINGS AND PURPOSE.

(a) FINDINGS.—The Congress finds the following:

(1) In the Act of March 2, 1936 (Chapter 113; 49 Stat. 1155; 16 U.S.C. 423j), Congress authorized the establishment of the Richmond National Battlefield Park, and the boundaries of the battlefield park were established to permit the inclusion of all military battlefield areas related to the battles fought during the Civil War in the vicinity of the city of Richmond, Virginia. The battlefield park originally included the area then known as the Richmond Battlefield State Park.

(2) The total acreage identified in 1936 for consideration for inclusion in the battlefield park consisted of approximately 225,000 acres in and around the city of Richmond. A study undertaken by the congressionally authorized Civil War Sites Advisory Committee determined that of these 225,000 acres, the historically significant areas relating to the campaigns against and in defense of Richmond encompass approximately 38,000 acres.

(3) In a 1996 general management plan, the National Park Service identified approximately 7,121 acres in and around the city of Richmond that satisfy the National Park Service criteria of significance, integrity, feasibility, and suitability for inclusion in the battlefield park. The National Park Service later identified an additional 186 acres for inclusion in the battlefield park.

(4) There is a national interest in protecting and preserving sites of historical significance associated with the Civil War and the city of Richmond.

(5) The Commonwealth of Virginia and its local units of government have authority to prevent or minimize adverse uses of these historic resources and can play a significant role in the protection of the historic resources related to the campaigns against and in defense of Richmond.

(6) The preservation of the New Market Heights Battlefield in the vicinity of the city of Richmond is an important aspect of American history that can be interpreted to the public. The Battle of New Market Heights represents a premier landmark in black military history as 14 black Union soldiers were awarded the Medal of Honor in recognition of their valor during the battle. According to National Park Service historians, the sacrifices of the United States Colored Troops in this battle helped to ensure the passage of the Thirteenth Amendment to the United States Constitution to abolish slavery.

(b) PURPOSE.—It is the purpose of this title—

(1) to revise the boundaries for the Richmond National Battlefield Park based on the findings of the Civil War Sites Advisory Committee and the National Park Service; and

(2) to direct the Secretary of the Interior to work in cooperation with the Commonwealth of Virginia, the city of Richmond, other political subdivisions of the Commonwealth, other public entities, and the private sector in the management, protection, and

interpretation of the resources associated with the Civil War and the Civil War battles in and around the city of Richmond, Virginia.

SEC. 503. RICHMOND NATIONAL BATTLEFIELD PARK; BOUNDARIES.

(a) **ESTABLISHMENT AND PURPOSE.**—For the purpose of protecting, managing, and interpreting the resources associated with the Civil War battles in and around the city of Richmond, Virginia, there is established the Richmond National Battlefield Park consisting of approximately 7,307 acres of land, as generally depicted on the map entitled "Richmond National Battlefield Park Boundary Revision", numbered 367N.E.F.A.80026A, and dated September 2000. The map shall be on file in the appropriate offices of the National Park Service.

(b) **BOUNDARY ADJUSTMENTS.**—The Secretary may make minor adjustments in the boundaries of the battlefield park consistent with section 7(c) of the Land and Water Conservation Fund Act of 1965 (16 U.S.C. 4601-9(c)).

SEC. 504. LAND ACQUISITION.

(a) **ACQUISITION AUTHORITY.**—

(1) **IN GENERAL.**—The Secretary may acquire lands, waters, and interests in lands within the boundaries of the battlefield park from willing landowners by donation, purchase with donated or appropriated funds, or exchange. In acquiring lands and interests in lands under this title, the Secretary shall acquire the minimum interest necessary to achieve the purposes for which the battlefield is established.

(2) **SPECIAL RULE FOR PRIVATE LANDS.**—Privately owned lands or interests in lands may be acquired under this title only with the consent of the owner.

(b) **EASEMENTS.**—

(1) **OUTSIDE BOUNDARIES.**—The Secretary may acquire an easement on property outside the boundaries of the battlefield park and around the city of Richmond, with the consent of the owner, if the Secretary determines that the easement is necessary to protect core Civil War resources as identified by the Civil War Sites Advisory Committee. Upon acquisition of the easement, the Secretary shall revise the boundaries of the battlefield park to include the property subject to the easement.

(2) **INSIDE BOUNDARIES.**—To the extent practicable, and if preferred by a willing landowner, the Secretary shall use permanent conservation easements to acquire interests in land in lieu of acquiring land in fee simple and thereby removing land from non-Federal ownership.

(c) **VISITOR CENTER.**—The Secretary may acquire the Tredegar Iron Works buildings and associated land in the city of Richmond for use as a visitor center for the battlefield park.

SEC. 505. PARK ADMINISTRATION.

(a) **APPLICABLE LAWS.**—The Secretary, acting through the Director of the National Park Service, shall administer the battlefield park in accordance with this title and laws generally applicable to units of the National Park System, including the Act of August 25, 1916 (16 U.S.C. 1 et. seq.) and the Act of August 21, 1935 (16 U.S.C. 461 et. seq.).

(b) **NEW MARKET HEIGHTS BATTLEFIELD.**—The Secretary shall provide for the establishment of a monument or memorial suitable to honor the 14 Medal of Honor recipients from the United States Colored Troops who fought in the Battle of New Market Heights. The Secretary shall include the Battle of New Market Heights and the role of black Union soldiers in the battle in historical interpretations provided to the public at the battlefield park.

(c) **COOPERATIVE AGREEMENTS.**—The Secretary may enter into cooperative agree-

ments with the Commonwealth of Virginia, its political subdivisions (including the city of Richmond), private property owners, and other members of the private sector to develop mechanisms to protect and interpret the historical resources within the battlefield park in a manner that would allow for continued private ownership and use where compatible with the purposes for which the battlefield is established.

(d) **TECHNICAL ASSISTANCE.**—The Secretary may provide technical assistance to the Commonwealth of Virginia, its political subdivisions, nonprofit entities, and private property owners for the development of comprehensive plans, land use guidelines, special studies, and other activities that are consistent with the identification, protection, interpretation, and commemoration of historically significant Civil War resources located inside and outside of the boundaries of the battlefield park. The technical assistance does not authorize the Secretary to own or manage any of the resources outside the battlefield park boundaries.

SEC. 506. AUTHORIZATION OF APPROPRIATIONS.

There are authorized to be appropriated such sums as are necessary to carry out this title.

SEC. 507. REPEAL OF SUPERSEDED LAW.

The Act of March 2, 1936 (Chapter 113; 16 U.S.C. 423j-423j) is repealed.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Alaska (Mr. YOUNG) and the gentleman from New Mexico (Mr. UDALL) each will control 20 minutes.

The Chair recognizes the gentleman from Alaska (Mr. YOUNG).

Mr. YOUNG of Alaska. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, S. 964, the Cheyenne River Sioux Tribe Equitable Compensation Act, addresses a number of specific Indian and public land problems that will assist thousands of Americans.

Title I of this bill will establish a Development Trust Fund in the Treasury of the United States for the Cheyenne River Sioux Tribe as compensation for the taking by condemnation proceedings by the United States of 104,492 acres of tribal lands.

1800

The Comptroller General has determined that the appropriate amount of compensation to pay the tribe would be \$290,723,000 for this taking.

Pursuant to S. 964, that amount and certain interest would be deposited by the Secretary of the Treasury into the Cheyenne River Sioux Tribal Recovery Trust Fund on the first day of the 11th fiscal year that begins after the date of enactment of S. 964.

Annual payments will be made to the tribe consisting of the income generated from the investment of the corpus of the trust fund by the Secretary of the Treasury in interest-bearing obligations to the United States.

Recovery funds have been created by Congress for four other Missouri River tribes which were impacted by the Pick-Sloan Missouri River Basin program.

Title II of S. 964, the Bosque Redondo Memorial Act, authorizes the establishment of a Bosque Redondo Memorial in New Mexico to pay tribute to the 9,000 Navajo Indians forced in the 1800s to walk 350 miles to Bosque Redondo where they were incarcerated for 5 years.

Title III expresses the sense of the Congress that public memorials commemorating military conflicts should be maintained in good condition; and

to this end, the Secretary of the Interior should coordinate with Federal, State, and local officials to catalog these memorials and use the resulting information to promote and maintain them. This is based on a concurrent resolution sponsored by our colleague, the gentleman from California (Mr. ROGAN).

Title IV requires the sale of a small historic site to the Chugach Alaska Natives and is noncontroversial.

Title V incorporates the provisions of legislation sponsored by the chairman of the Committee on Commerce, the gentleman from Virginia (Mr. BLILEY). It adjusts the boundaries of the Richmond National Battlefield Park, expanding and completing the existing battlefield to include historically significant areas relating to the campaigns against, and in defense of, Richmond, Virginia.

Title VI consists of two important sections addressing the needs of southeast Alaska and the Navajo Nation, respectively.

Section 601 authorizes Southeast Alaskan Intertie system, a project critical to the future of southeast Alaska communities. Construction of an intertie will give southeast Alaska access to cheap, plentiful energy afforded through a power grid linking present and future hydroelectric sites. The Southeast Conference and the U.S. Forest Service have conducted a thorough environmental and economic analysis of this project. This section authorizes such sums that may be necessary for construction of the intertie on an 80/20 Federal-local cost-share basis.

The other section establishes a program to assist the Navajo Nation. The problem here is not lack of cheap electricity. It is lack of any electricity in 18,000 structures. In this modern era, it is inconceivable that electricity is unavailable for any Americans. The Federal Government has a responsibility to ensure the welfare of Indians, and to this end the grant program established in Title VI is key to the future well-being of the Navajo Nation.

This is a solid bill. It has been worked out with Senator DASCHLE. It is his bill. It has been worked out with everybody involved, and I believe it is a bill that should be passed and sent to the President.

Mr. Speaker, I reserve the balance of my time.

Mr. UDALL of New Mexico. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise in support of the bill S. 964 as passed by the Senate. However, without notice to Members, a number of other bills and language have been added to this text. Some of these may have merit; others are controversial and expensive. One matter involves an issue that is within the jurisdiction of the Committee on Commerce, not the Committee on Resources. This is not the right approach. It is not the way to do business. I do not think it is fair to Members; nor is it fair to the public.

Mr. Speaker, I would ask the chairman, and yield him time to answer this question, of how much notice have Members had to study this bill and know what is coming up in these additional titles that have been added.

Mr. YOUNG of Alaska. Mr. Speaker, will the gentleman yield?

Mr. UDALL of New Mexico. I yield to the gentleman from Alaska.

Mr. YOUNG of Alaska. Unfortunately, the gentleman has not been here that long to recognize one thing: we try to notify everybody. Every one of the bills have had direct notification to the persons involved. The Committee on Commerce, the chairman signed off on this legislation. It directly affects his district.

Everybody that is in this bill that affects someone's district has signed off. If the gentleman believes in a representative form of government, that is the criteria. To my information, there has been nobody who has objected to these. We have been in contact with the White House. We have been in contact with Senator DASCHLE on a daily basis. We have been in contact with every Member dealing with a provision in this bill.

Now, if some staff do not like this, just keep in mind this is about representation of those people elected. It is about nothing else. This is getting into the waning hours, and if the gentleman does not want to pass this legislation, fine. It does not bother me a bit, but I have been trying to work with Senator DASCHLE, and if the gentleman does not want to vote for this bill talk to Senator DASCHLE. He asked me to do this. I am doing it for him. I am doing it for those people involved in this bill, and that is what a chairman is supposed to do.

This is not a process that we go through that takes a long period of time. One tries to get it done; notify those people who are affected; ask them whether they like it or not. If they like it, it works well, nobody objects to it, including the administration, then we do it.

Mr. UDALL of New Mexico. Mr. Speaker, I would ask the gentleman from Alaska (Mr. YOUNG) if it is his understanding that Senator DASCHLE supports this bill in its entirety.

Mr. YOUNG of Alaska. In its entirety, he supports this bill. If he does not, I will not move it. I talked to him last week. He has been talked to every day; and if he does not support the bill, let me know now and I will bring the bill down right now.

Mr. UDALL of New Mexico. Mr. Speaker, I thank the gentleman from Alaska (Mr. YOUNG) for that answer. I appreciate very much his response.

Mr. Speaker, I yield back the balance of my time.

Mr. YOUNG of Alaska. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore (Mr. PEASE). The question is on the motion offered by the gentleman from Alaska (Mr. YOUNG) that the House suspend

the rules and pass the Senate bill, S. 964, as amended.

The question was taken; and the Speaker pro tempore announced that the ayes appeared to have it.

Mr. UDALL of New Mexico. Mr. Speaker, I object to the vote on the ground that a quorum is not present and make the point of order that a quorum is not present.

The SPEAKER pro tempore. Pursuant to clause 8, rule XX and the Chair's prior announcement, further proceedings on this motion will be postponed.

The point of no quorum is considered withdrawn.

GENERAL LEAVE

Mr. YOUNG of Alaska. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks on H.R. 4148 and S. 964, the bills just debated.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Alaska?

There was no objection.
